Food & Bar Service Options

All three of our vessels are ideally equipped for any type of food and beverage service you'd like to have as part of your private charter. On the *Victoria Star²* and *Viking Star* we offer delicious buffet options where we take care of the food, plates and silverware for you. For any of our boats you may choose to use your own caterer or do a potluck.

Our vessels are set up for providing alcoholic and non-alcoholic beverages. You may choose the following bar options:

- Cash bar - no host, each guest pays for his/her own drinks
- Hosted bar - a tab is run and billed to the host for payment at the conclusion of the charter
- Scrip bar - we provide tickets for the host to distribute prior to the cruise. Passengers "pay" with these tickets as they order each drink. Total tab (based on the number of tickets redeemed)

If you wish to supply your own alcohol, a fee of \$5/person will be assessed and you will need a Banquet Permit, which you may obtain from any local WA State Liquor Store.
